

Built on sustainability

We look after the planet with the same care as we look after our travellers. You can relax knowing that everything from your super comfy bed to the locally sourced ingredients on our menu are designed to reduce our impact on the environment.

By the numbers

Reducing yearly plastic landfill

390,300 bottles

150,000 plastic straws

REDUCING PLASTIC WASTE

“Large-format” bathroom amenities reducing plastic waste by 80%.

Plastic straws replaced by biodegradable straws (available by request only) in total, IHG® will **remove 50 million straws globally**.

Filtered tap water in every guest room, plus glass bottles in key areas of the hotel, such as meeting rooms. Further reduces plastic waste by **300+ bottles yearly**.

Indulgent bedding made from 100% recycled materials, **each doona is made from 150 plastic bottles**.

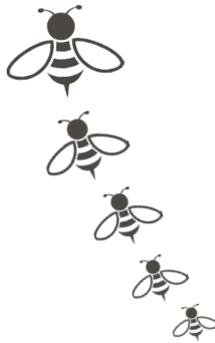

OZHARVEST

IHG® is proud to be an OzHarvest ‘Awesome Partner’, which means we work together to reduce food waste, feed hungry Australians and provide education to at-risk youth. voco® Gold Coast plays an important role by fundraising and supporting their food rescue efforts. With **\$1 equalling 2 meals**.

SAVING THE BEES

Our rooftop is home to **300,000 bees** and we have a resident beekeeper who looks after them. Our Chefs then use the honey in our signature honey and lavender welcome shortbread biscuits, at the breakfast buffet and in Social House’s cocktail menu.

REDUCING ENERGY CONSUMPTION AND AN ECO-FRIENDLY APPROACH

Aerated shower heads - reducing water usage and **lowers energy consumption** for water heating.

“Planet-friendly ingredients” in bathroom amenities, obtained from sustainable or renewable plant-based origins, and cruelty-free.

100% Better Cotton Initiative approved bed linen, contributing to sustainable cotton harvesting.

WILL & CO

We’ve partnered with a sustainable coffee brand and utilise their **biodegradable and compostable take away cups**.

A GREENER STAY

A greener stay helps decrease the environmental footprint of voco® Gold Coast, conserving energy, water and staffing while **rewarding members who choose to make a positive impact** on the environment when they stay.

SOAPAID

IHG® hotels have partnered with SoapAid where our bar soap at either the basin or bathtub are collected and **reconstituted into new bars for at risk communities**.
