# Weddings

---

Classically elegant, upbeat and contemporary or intimate and romantic, there's a perfect place for your wedding at voco™ Gold Coast.

Located just 80 metres from the beach, voco™ Gold Coast has a luxury day spa and hairdresser, concierge and tour desk services, two restaurants, café and bar, gymnasium, pool and 24 hour room service.

Consider staying at the hotel with the bridal party in the lead-up and after the big day, and enjoy the convenience of everything you need onsite.

Your Wedding Coordinator can arrange accommodation for you, your family and guests at your request.

## The choices are impressive

---

If you're planning a big and beautiful gala banquet or candlelit dinner, we suggest the newly rejuvenated Osprey Ballroom.

If a wedding party that's edgy is your style, Social House or Clifford's Grill & Lounge has all the elements for a lunch or dinner affair that's as individual as you are.

## Prepared with love, perfectly presented

---

Our exemplary team of chefs are proud of their reputation for cutting-edge cuisine, featuring premium local and Australian fresh produce.

They can create a menu that suits your style and budget. Select two or three courses from the extensive range of entrées, mains and desserts or treat your guests to a grand buffet.

Your voco™ Wedding Coordinator can assist with all the details including theming, flowers and entertainment.
